

Boost Oakland Business

Cruisin' with Brooks is a fundraiser for Boost Oakland Business (B.O.B.), a 501(c)(4) organization that promotes business and stimulates job creation through such economic development initiatives as:

- Emerging Sectors
- Medical Main Street
- Oakland County Business Roundtable

B.O.B. also funds the Oakland County Employee Suggestion Program. Hundreds of employee-submitted suggestions have made the county run more efficiently while saving county taxpayers millions of dollars.
